Anytime.
Of course.
I was just hoping that you'd come over, too.
Who'd have thought...

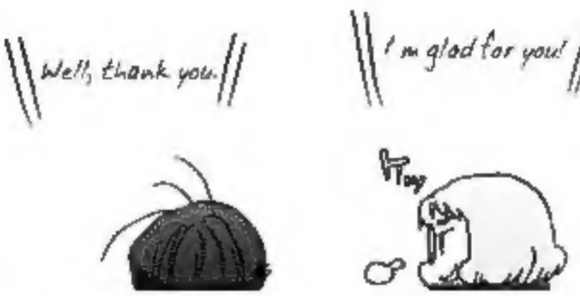
Eh?
Ah,
EH!?
So that's what it is...
Uh, well..
Oh...
Eh, what's the story?
A man?
BUH!

Ahahaha..
It seems that tonight is already reserved, huh.
So that's what you mean.
I see,

No, I'm glad, I'm glad.
!
But I was actually listening!
When you spoke about him before, I was a little worried!
That was annoying!

.....
.....?

Ah, sorry...
Well, let's go out tonight and celebrate it!



Well, thank you.
I'm glad for you!

I'm having a seaweed box for lunch today.

Another smokeless cigarette

Ah, I'm a bit busy today, so you would mind getting me something too?
Just a seaweed box.
What's for lunch today?
Okay.

Ah

Ozawa, your seaweed box is here~
No, we usually talk about completely random things anyways, though...
It'd be better to tell him about this when I see him...
I started texting him about anything I do...

My pointless text was of use after all...
Thank god
If you don't start eating soon, lunch hour will be over ..
Yeah~

Oyamada-kun, you're way too fast!
Gya, he replied!

LUCKY!
Is it alright for me to finish early?
And you seem to have some leeway in your schedule, so
You don't have to finish that by today,
Are you sure you're not just tired?
You usually don't have such a problem..
This calculation just doesn't want to add up so I was venting my frustration.
I'm sorry,
From tomorrow forth, I will turn over a new page and actually start working hard!
Thank you very much Assistant Section Chief Yamamoto!
Maybe I should have made her work overtime

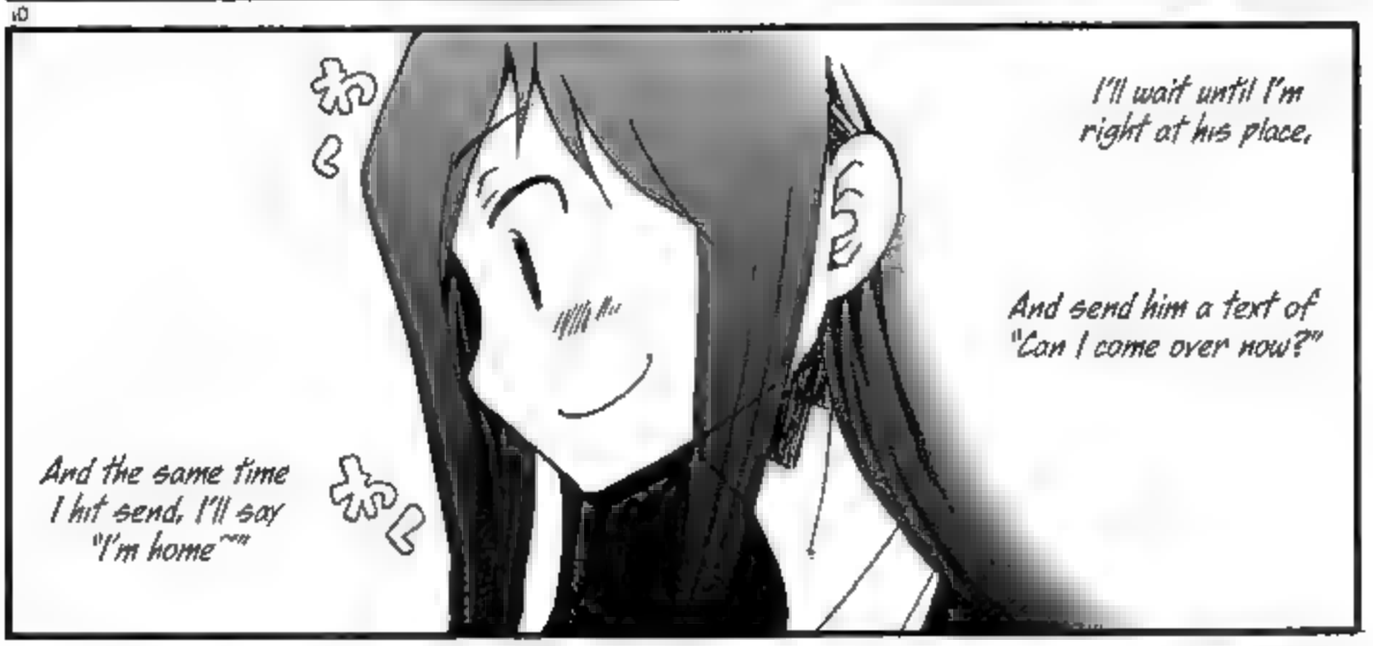
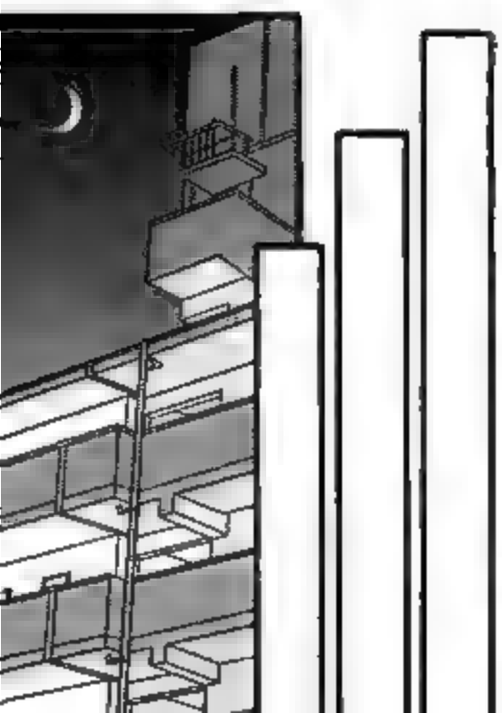
Yosh,
I should text him that I've left the supermarket ...Hm..



I'll wait until I'm right at his place.
And send him a text of "Can I come over now?"
And the same time I hit send, I'll say "I'm home~"

We have the same cell phone provider, so there shouldn't be any time lag...
Like this, I'll really surprised Oyamada-kun.



Why...
Ah,

Welcome home.
Is he here...

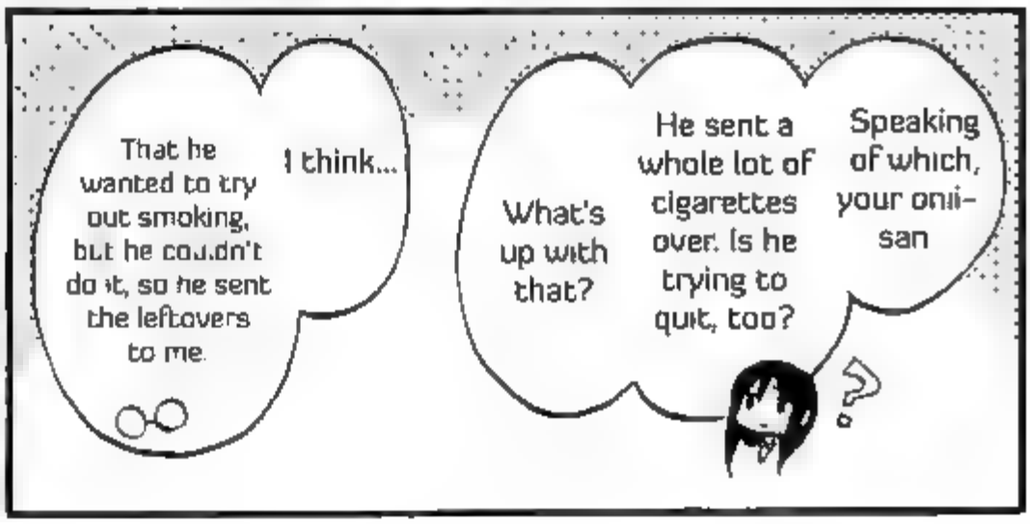
IF I didn't want to smoke, I'd just chew gum...

Hm?
Haven't you done so well trying to quit smoking up until now?

2

Is that it!?



That he wanted to try out smoking, but he couldn't do it, so he sent the leftovers to me.
I think...
What's up with that?
He sent a whole lot of cigarettes over. Is he trying to quit, too?
Speaking of which, your onii-san

Assistant Supervisor, this piece is finished
Oh, thanks for your hard work.
The deadline was lonnnnggg overdue, though...
Today, at work, right...
Yeah..
But Ozawa-san, why do you want to smoke so badly today?
You had really been trying hard up until now
.....
Can you do this piece next?
.....
Yes.
And then he gave me another piece to work on!
That asshole
Oh
.....
But I worked really hard and got it done early. And when I went to give it over..
It's ok, I'll do it. It's work, you know?
No, If it was just that, I wouldn't really mind.

When I got there, he had already gone home!!
He could have said, "It's ok to finish tomorrow!!"
IT PISSES ME OFF!!
For sure

The alcohol is so delicious.
Oh.
When I'm in this situation, I just want to smoke.
Hm.

So I cured it with alcohol.
Right.
It's the only way

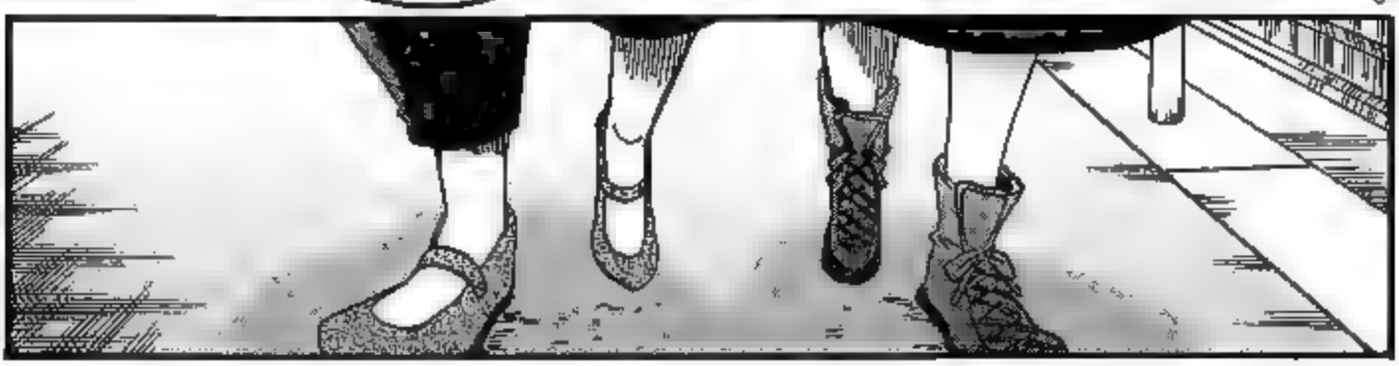
AKIEDA

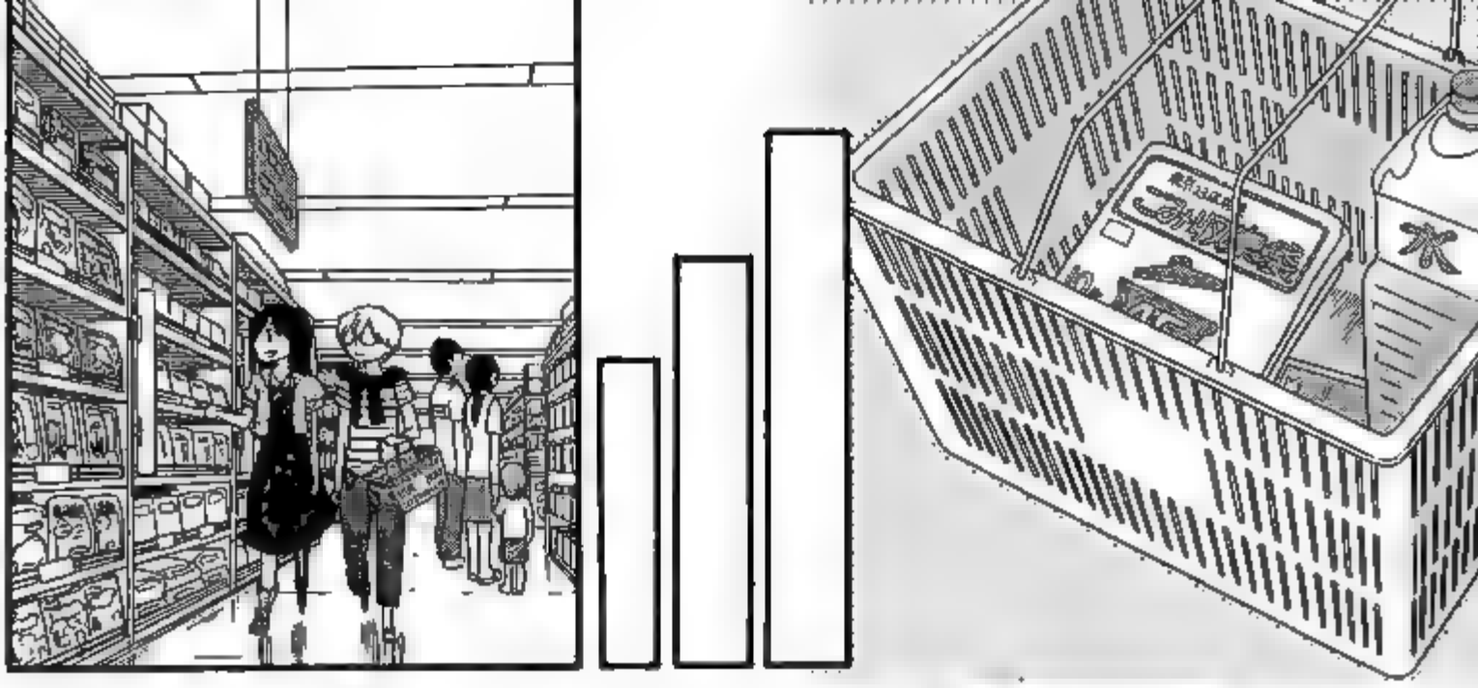
You're cheery today.
Of course, silly...
2
!
This is a date, right?
After all..

Yeah
Someday, it'd be nice to take a trip to some far-away place~
Are you sure this is good enough for a date?
Well, for now it is.
right
Hahaha
We just sit around for days on end when we're at Bonnouji.
It's sort of a di-lemma.
but



Eh!!
Don't you want to hold hands?
I guess so. .
...
A date~

That's..
Quite...
A shame. .
really
Hehe
Y...yeah
If... Ozawa-san wants to...
Then ..
Bwa haha!
Sorry! Sorry!
You're just so cute when you blush.
I suddenly felt like teasing you!
What..? Oh.
We're already adults.
So it's kind of embarrassing.
Hoho~
I didn't realize that Ozawa cared about stuff like that.
I never cared .. Until recently
I never wanted to get older... But before we knew it...
Here we are!
Yeah..

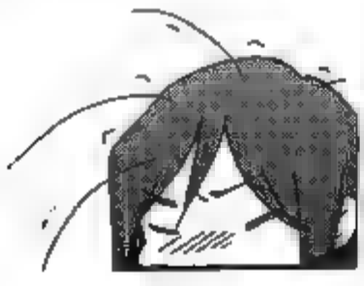


It would've been fine to hold hands after all...!

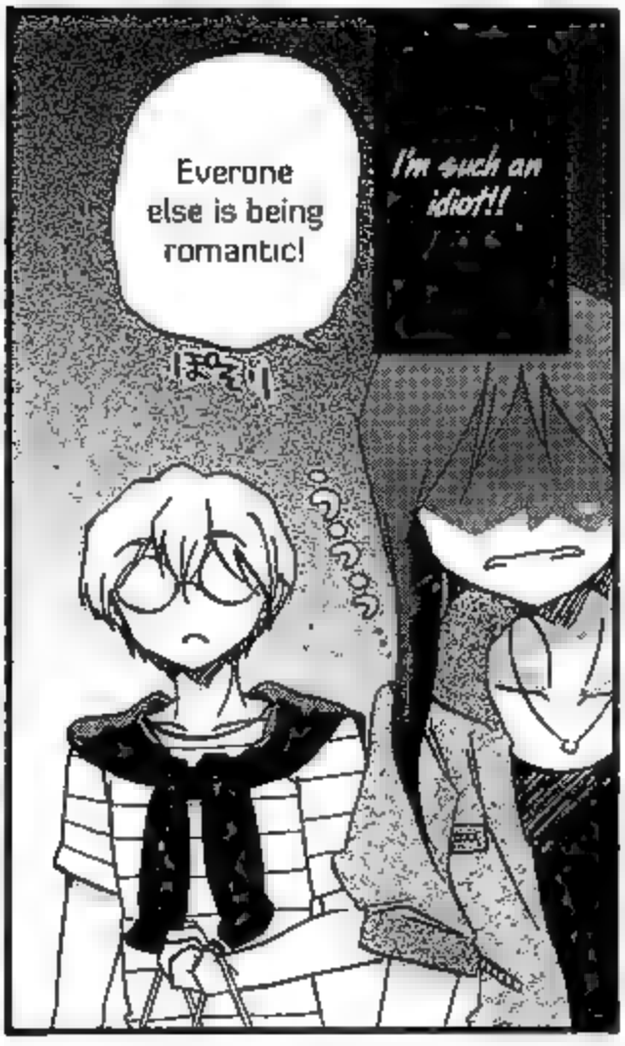
Damn it...
.....

Everyone here looks so happy

Damn... I shouldn't have teased him about us being adults...



A little lovey dovey would be nice right now...!!



Everone else is being romantic!
I'm such an idiot!!
ぽそ!!

She wants to act lovey dovey
I bet.

It would obviously become awkward

But.
Ozawa-san is pretty easy to understand

WHY?!
Eh?
Eh?
Just like that

If I suddenly asked
Want to hold hands?
On our way back,

Thank you for your patronage!
What should I do?
Hmm
Easy to understand, but not to deal with ..
I can't think of anything
Heh
What a pain..
What now?
Eh?
Yup.
Rain?
Ozawa-san!
I'll buy us some umbrellas!

Okay

We'll share it.

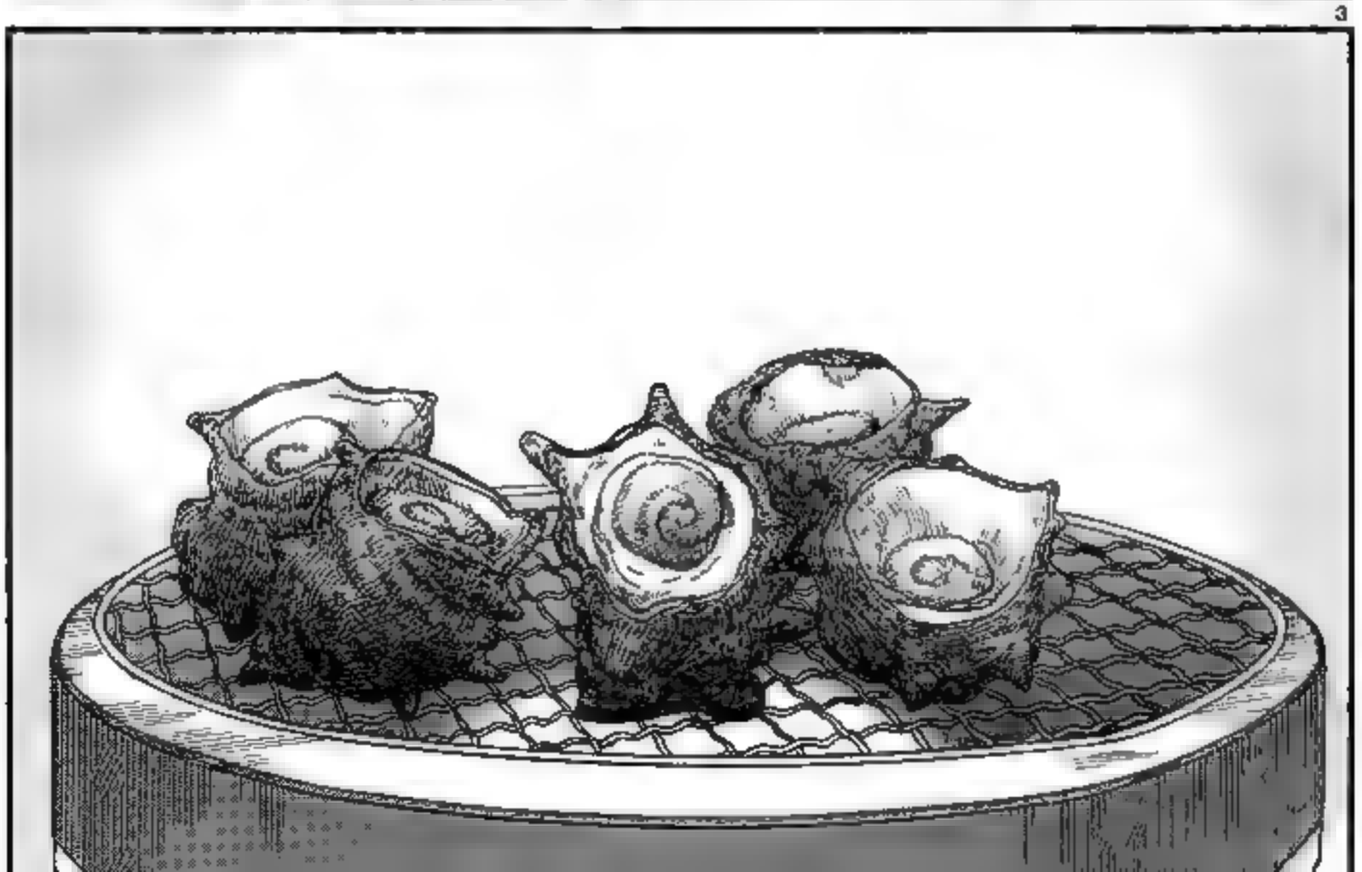
T/N: Sazae, known in English as the turbo cornutus, is a type of sea snail and is popular food in Japan.

T/N: Real Gold is an energy drink by Coca-Cola sold only in Japan. Obviously Shimapan is teasing Ozawa.



I see, you're saying you want me to show you my genius cooking skills?
Bonnouji also has a kitchen we could make food in, so...
I have permission from the landlord.
But... Are you sure no one will be mad?
Awesome!
I just got them from my brother!
Why are you being so self-conscious when you're so good at cooking?
I'm not being self-conscious!
So
Just do it like normal
Eh- So, Shimapon is a good cook.
Unfortunately, all I have upstairs is frankfurters, corn, and yaki soba.
I'm not sure I can do much with just that...
Simple is good!
Sorry for living such a long single life!
U Ha Ha!

WHAT'S THIS?!

Finishing touches ?
I think it's up to Ozawa to put the finishing touches on the event!

Yeah.

Wow! There's a lot of them

Maybe the abnormal heat for this time of year,
Or the pretty sparks
The pleasant lipsiness,
Perhaps it was the unusual atmosphere,

Shima-pon, what's wrong?

Yes!

Okay then, let's open the second box too!

Oh man

But

Exactly what it looks like
What's that?
Well, we may as well do it, right?
I guess so
Yeah,
Might be better to do it over there, where it's a bit brighter

WIGGLE~

We were trying so hard not to say that!
Seriously, though. However you look at it, it's just a giant turd!
That's just a big turd...
Pfff— haha— pff

It's really amazing! Look! Come see this video!
You must have done something right?
You just got a new boyfriend and you're telling me
You spend the whole summer vacation lighting snake ball fireworks!?
Eh?
.Yeah

I just saw something strange, right before lunch
AH!!
I bet Watanabe would be really surprised if he saw this, too!
Isn t it big?

煩悩寺

Oh, I didn't mean that in a strange way~
Hmm ..
So you haven't done anything yet?
Hmm .. About half a year...?
So how long have you been going out with him now?
This is bad.
...?
What's wrong?
...?

WHAT !?
As in,
What you meant by "in a strange way"...
Huh?
At all..
We haven't done it yet...

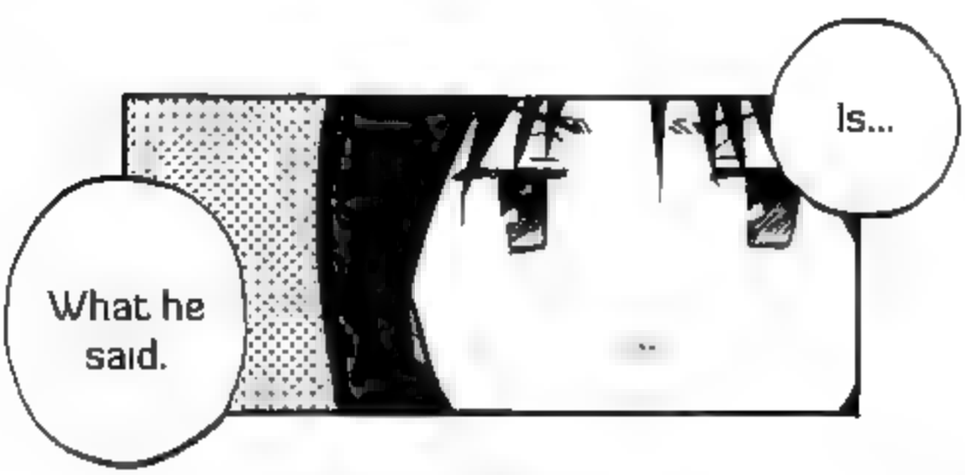
UU WAA AAAH HHH !?
.....
Been dating for over half a year.
Y-You mean .. You've
You haven't done it?
And...
4
True..
You're both at the right age, so there's really no reason to wait, is there?
But.. Normally.. You know...?
IS HE INSANE ...!?
FREAKY !!
THAT'S RUDE!
Don't be so proud about it!
I didn't make any moves either!!

What should I do...?
This is bad, right?
Even if you ask me.
How would I know?
So,
I get what you're saying.
I guess...
Don't you have any friends who know both of you?
It's better if it's someone who knows him, right?
.....
I was a fool to get roped in by the meat.
.....
What do you think?
6
So, we're just getting to how Oyamada gonna do this, right?
There's this girl at work I was thinking of introducing you to...
Why...?
Of all the possible things,
Why should I give you baka couple advice about your sex life?
Ugh.

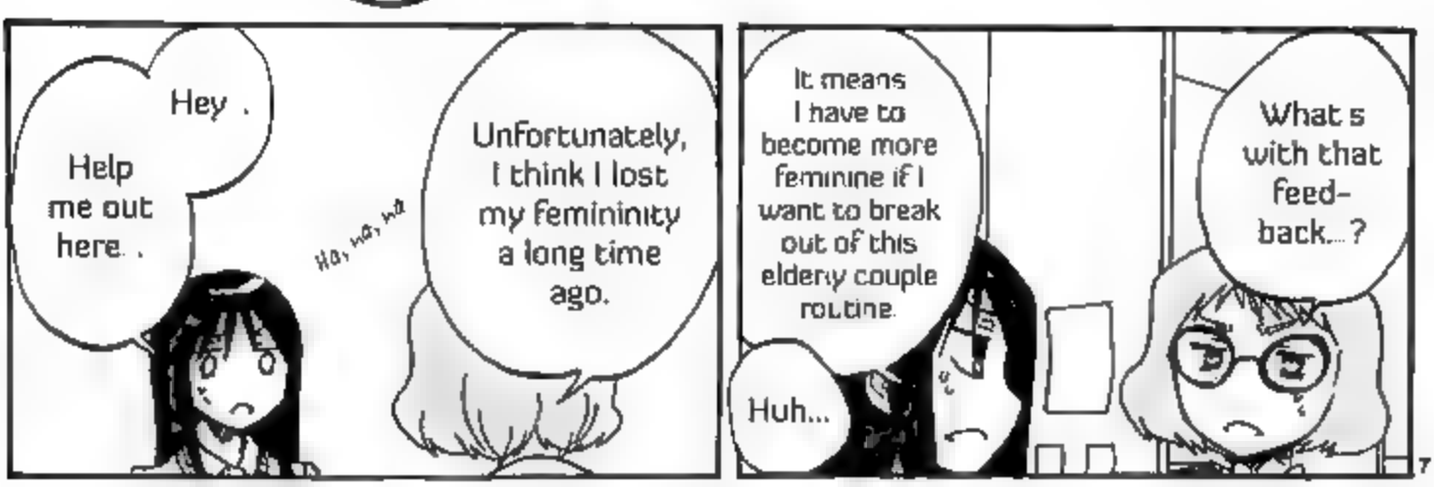
!!
But, you're always drunk when you're at bonnouji, right?
But, it's wrong to take advantage of a drunkard, right?
Huh. .
Ooh!
Well, at first, he really was thinking about it, you know?
Is...
Is that so...?
And, well, if something ever happened, he'd deal with it then.
So then, time passed and he never saw a chance
is what he started to think
HEY!!
!!
So he's just happy to see you unwind with a drink or two.
It seems like you're stressed from work.
Sorry! Sorry!
But, you know...
..Laughing at me when I'm down!

煩悩寺

Ugh
Isn't it just that you don't have enough femininity, Ozawa?
But this doesn't solve my problem at all!
Who knows. ?
What do I have to do. . ?
Ok!!
And you can think about it tomor-row.
Eat!!
Anyway, don't worry about it right now! Drink! Drink!
Eh.
Passing time, just the two of you, he said he likes it a lot.
Drink-ing, chat-ting,
This is really good
BURP



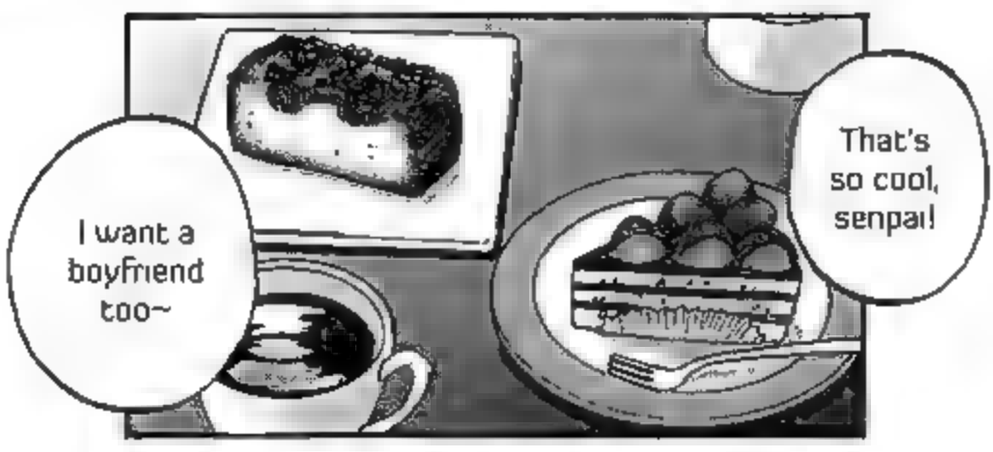
What he said.
Is...



Hey .
Help me out here. .
Ha, ha, ha
Unfortunately, I think I lost my femininity a long time ago.
It means I have to become more feminine if I want to break out of this elderly couple routine.
Huh...
What s with that feed-back...?

Ah! Perfect timing for the young people to show up!
Should I order a bentou lunch?
Senpai~ What are we doing for lunch?
You broke up with your old boyfriend, senpai?
Eeeh—!?
!
?
I'll treat you to lunch, so you two should lend your senpai here a helping hand.

Um .
How did you meet your current boy friend?
So
So
Ah!
That's true.
But, maybe it s better to not ask about her ex, right?
I guess we have to start there or it won't make sense, heh.



I want a boyfriend too~
That's so cool, senpai!

煩悩寺

A younger guy! That's awesome!
It's true! He looks so nice!
Easy for you to say!
Come on, it's not that cool!
Ah...
Let's see.
Don't you have a photo of your current boyfriend or something?
Uwah! He looks nice!!
Show me, show me!
I think I have a random picture on my cell...

And his room looks pretty interesting too!!

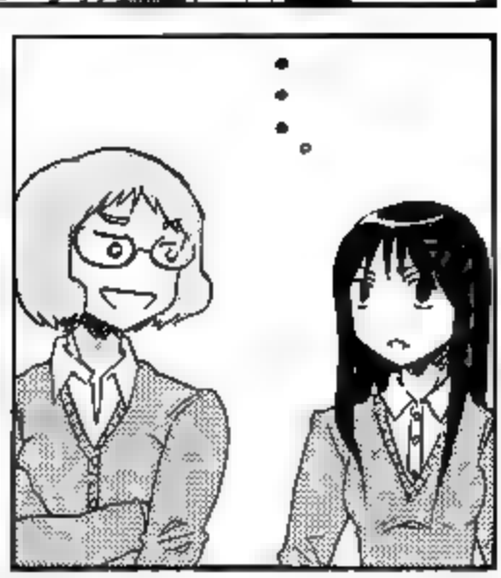
If they've done it or not!
With this atmosphere, it's completely impossible to guess.
Watanabe

Don't worry about it.
Thanks for the meal!
.....

Huh!?
That's it! Isn't that what femininity is all about?
Wait a moment, Ozawa!

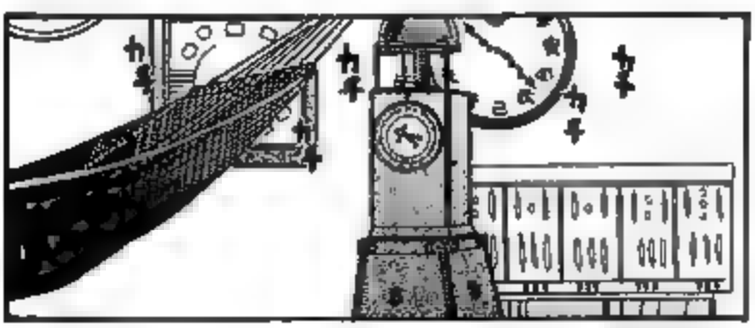
Yeah
Hm .?
We didn't really figure anything out.....

Wa Ha Ha
I don't think I could ever do that.



Want to go for a drink?
Yeah..
Uguuh..
I can't bring myself to laugh about this
I went drinking with Watanabe.
You're late today.
Hmm
I'm home~
11
Hm?
Some-thing happen?
Oyamada-kun's not going out of his way to encourage me to drink.
.....
If you wanna drink some more, the fridge is stocked.
I see

I'm going to drink~!
I'll drink! I'll drink!
……
Not really~
3



Are you mad, Ozawa-san?
Not really

Hmm .
W-What kind of stuff? How much did he say?
SHI MA MO TO ..!!
!!
Ha Ha Ha
Pretty much everything, I guess.

Um, you know...

!?
And asked me about all kinds of stuff
The truth is, Shima-pon called me earlier

Ah, so you don't really remember, eh?
I think I said something like that.
Stupid me
Like that.
...
When I'm drunk, I don't mind it at all. I want him to do something with me.
Seriously.

!
Well, as a man,
It would be pretty pathetic if I didn't do anything even after you said all that.
Stop.
Sorry about that.
You're really something else, aren't you.

Sorry...
Well,
Can't be helped, I guess.
Sorry .
That's harsh!

STOP

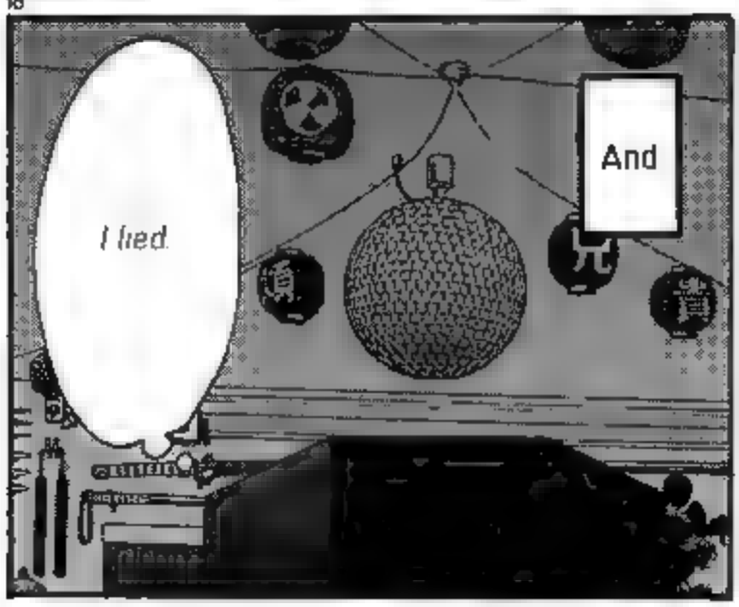
It's the first time Oyamada-kun touched me with those intentions.

Aah~ I just really love this guy...



THIS 30 YEAR MAIDEN HEART, IN SOME WAYS, MIGHT BE THE STRONGEST FEMININE POWER THERE IS!!

I'm really sorry ..
Before I knew what the lower half of a gentleman looked like
Even though I passed that innocent phase long ago

And some of the people in the middle are going to change.
It seems that there was a big transition in the management,
Yeah.
You don't usually have to meet them?
Didn't you say that since you always have the same client,

Let's go there.

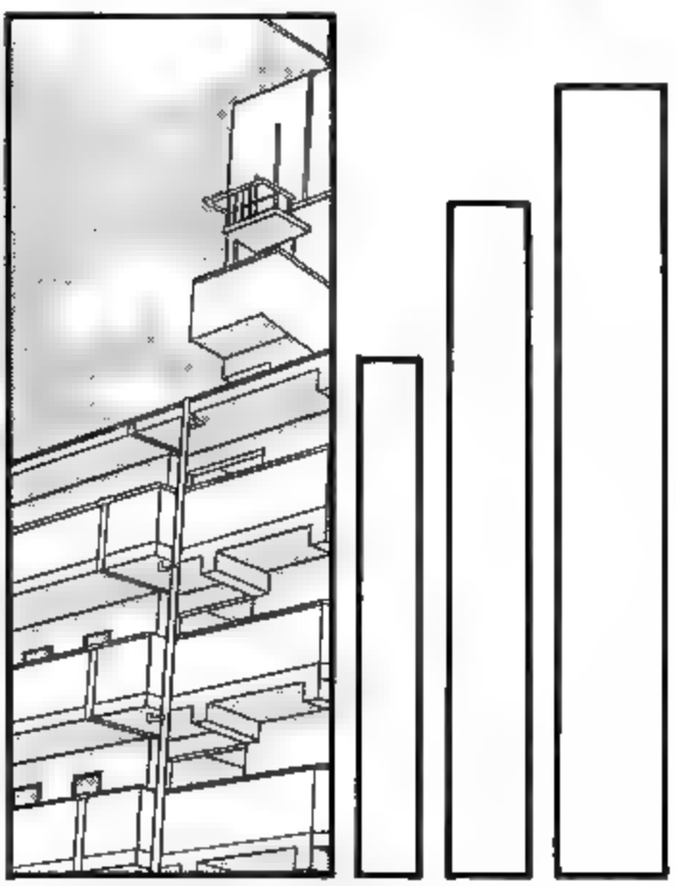
I was thinking of getting a table and some chairs from the store-room.
It's not good if we always kneel down because our blood flow will get hampered if we do
Hm ?
Hey Shima-pon, come help me for a sec.

How about stopping that?
!!
I'll go right after I poke Ozawa-san some more, okay?

Uck!
Ho!

What I think it is..?
Is that



Phew!
A Chinese style table.
Right?
Yeah
What else would it be?
Hm...

No fun at all.
HEY, WAIT!!
YOU'RE SUPPOSED TO MAKE SOME KIND OF COMMENT FIRST!!
Hahaha
YAY!!

!!
I can hear you guys~
!
I thought this was good since Ozawa-san would like it.

Yosh!
Let's go with the Chinese style table
...
Yeah
Shima-pon's going to cook?
Ah!
Yeah
Ah..
Shima-pon's cooking is really good!
はっはっはっはっ
What's up?

You're gallant today.
Oi oi,
Ozawa-san likes this type of thing, after all.

So why are you handing me the last act?!
You've been trying so hard up 'till now,
HUH?!
I'm leaving dinner to you

I want to hear your reason for this!

Anyway, now you see the type of appeal I want to make, right?

Now you're making me think of my tragic past that I had sealed deep down.

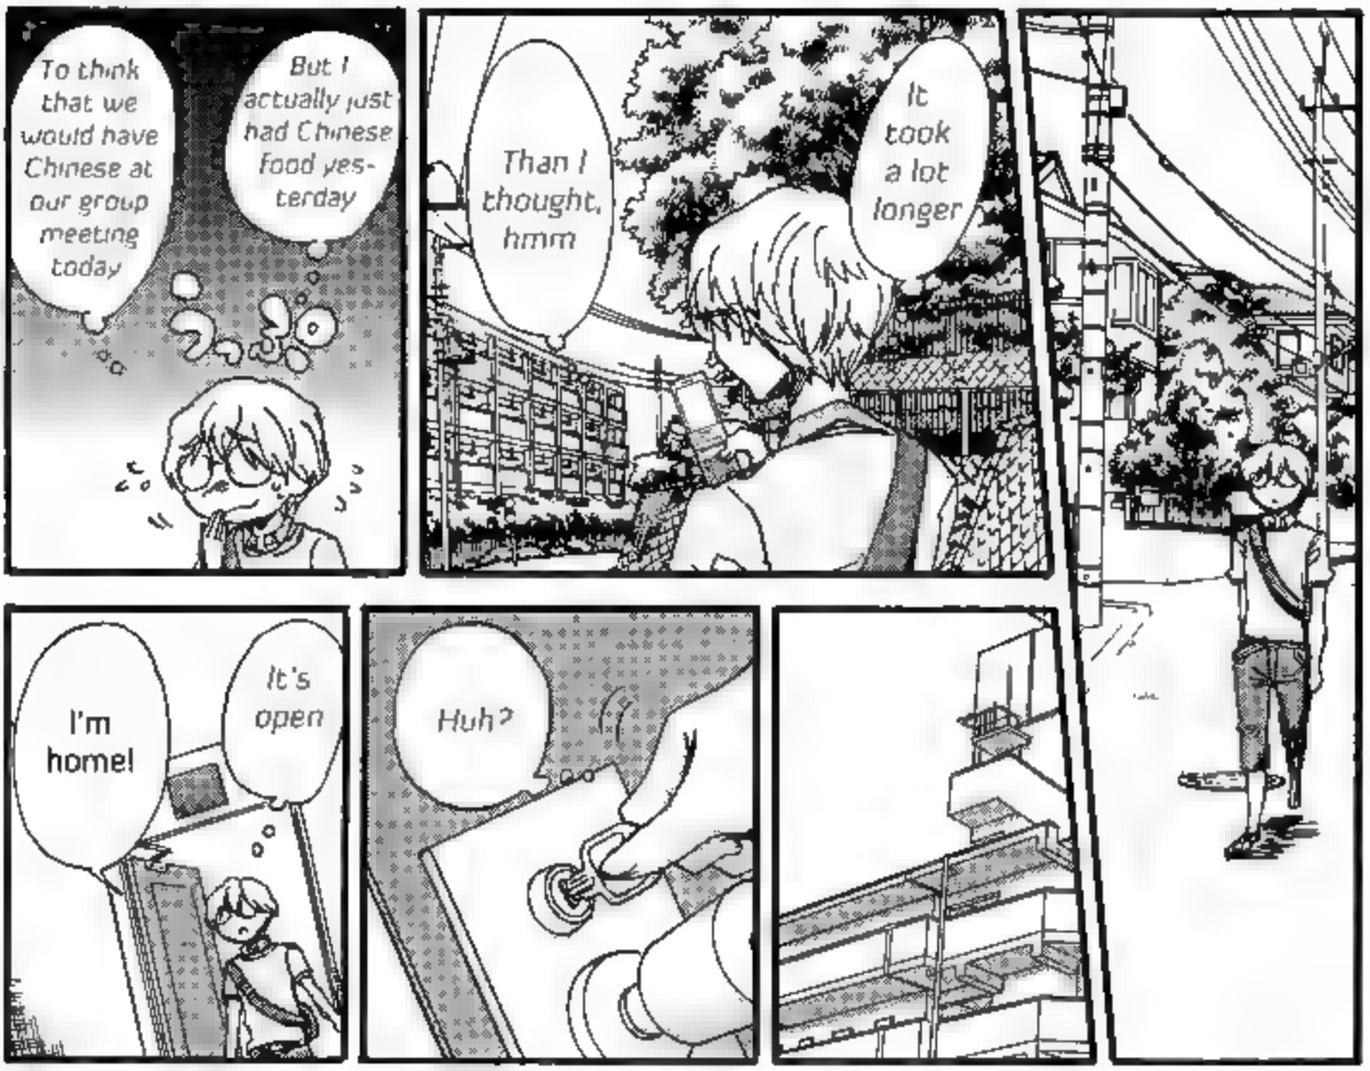
We could get on it and spin!
If it only wasn't a table for eating...
Hmm..
I wonder if there's something else we can do with it...
Nono nono no...
But it should still be fine if it's just Ozawa-san, no?
Ah!
But it will break if someone jumps on it, hehe!
A dish and other stuff are one thing.
It makes me think of that too.
I know, right?

煩悩寺

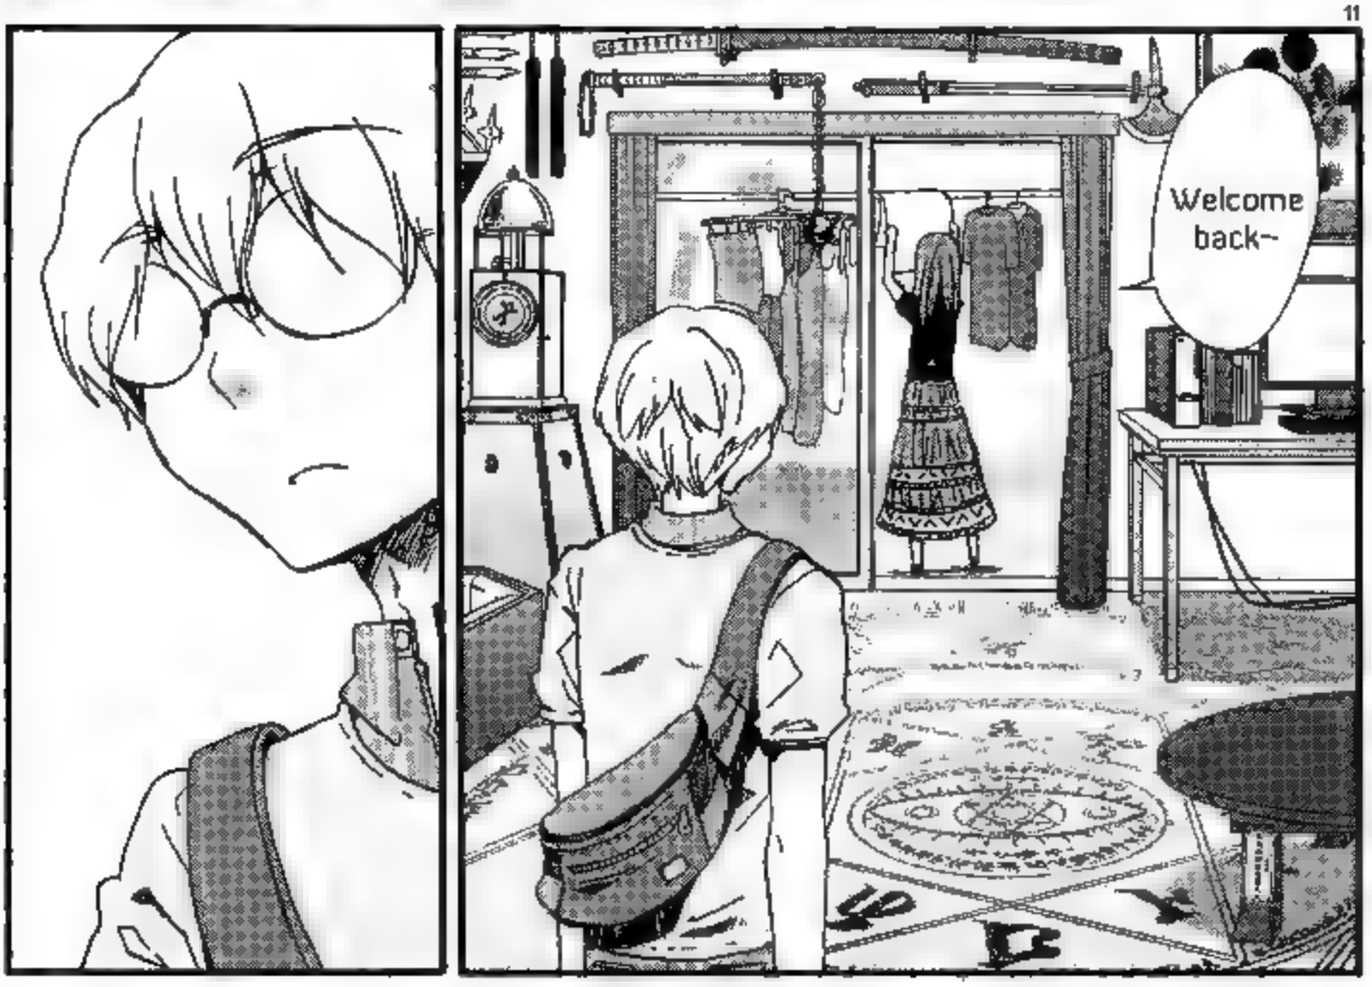
If you think of it that way,
Then Ozawa-san also counts as a dish, right?
It would be so funny!
"Please eat me!" like in that famous line.
Ah,
And what about that?
Uh...
What's up?
It's fine for a dish to be on the table, right?

I was thinking..
I'd like to eat Ozawa-san.

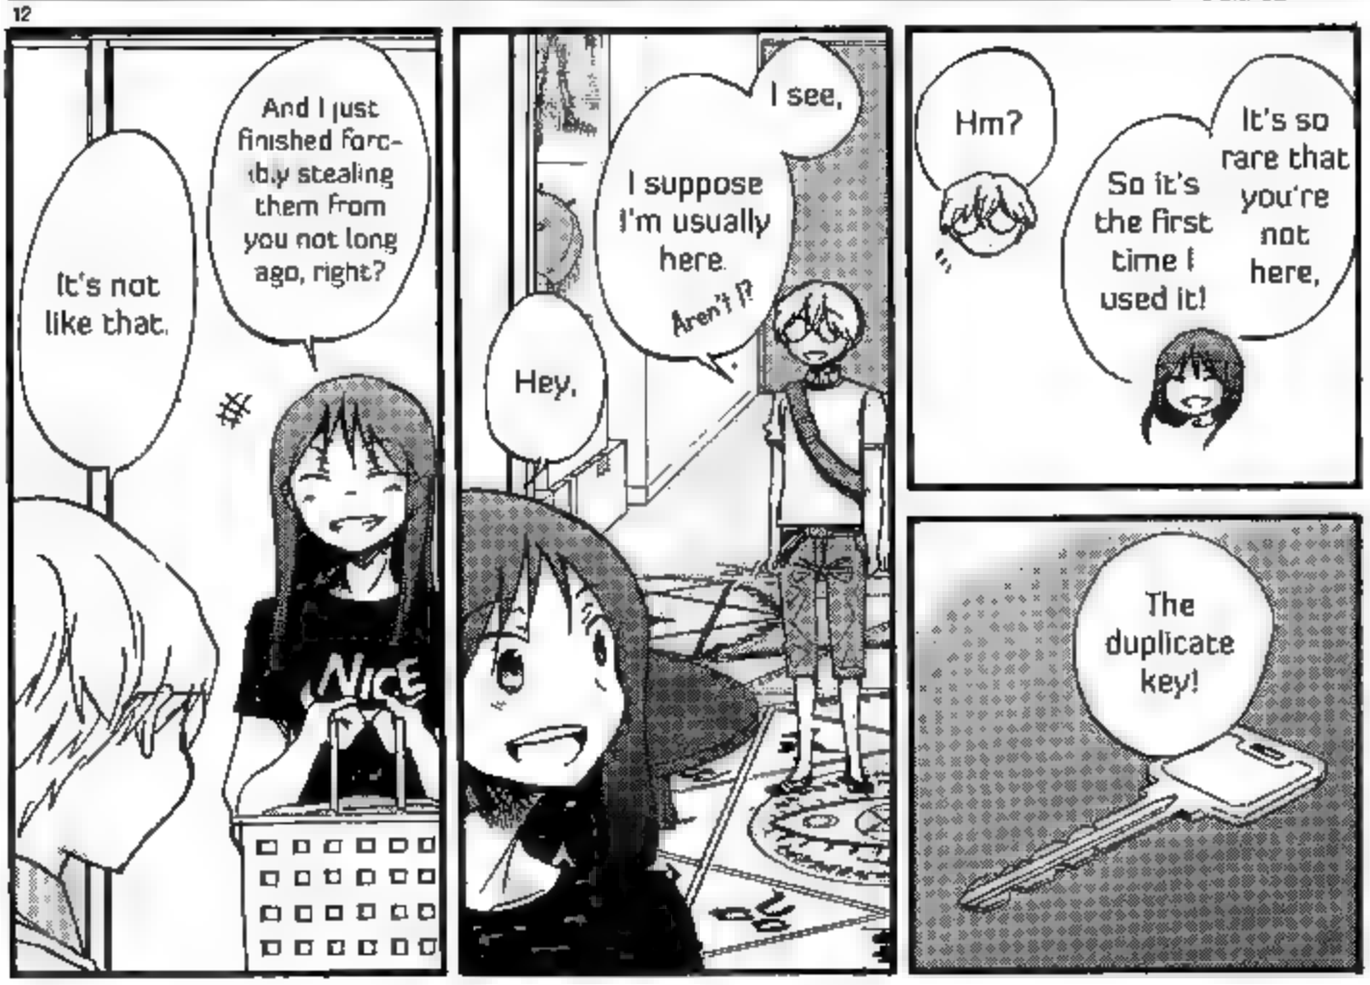
Did I.
Step on..
A land mine..?
Looooo silence
hahahaha
Oh no.
Since then,
The Chinese table was never again seen in Bonnouji



To think that we would have Chinese at our group meeting today
But I actually just had Chinese food yesterday
Than I thought, hmm
It took a lot longer
I'm home!
It's open
Huh?



Welcome back~



It's not like that.
And I just finished forcibly stealing them from you not long ago, right?
NICE
Hey.
I see,
I suppose I'm usually here.
Aren't I?
Hm?
So it's the first time I used it!
It's so rare that you're not here,
The duplicate key!

Ahh~
What a nice breeze~
Would've been nice to get the futons out in this too

One of the higher ups say something in his welcoming speech. He said something about society going to the dogs and other things, like how people who have responsibility over information should also be able to keep things clean and tidy.

Why do they go out of their way to make all of us clean?

Ah
you re right.
Aren t they at the end to the right?
Glasses, glasses
Oof..
Mor-ning!

No no no, wait a sec!!
I... I don't mind if there's nothing.
None at all
So you made some for me too!
Yeah!
Do you want breakfast?
Yeah.
Well, you always sleep until noon when you stay over I guess.
I see.
my second thought was, "Is he really the type to eat breakfast anyway?"
Then,
Right.
At first I was thinking, "I shouldn't wake him, it would be mean," right?
So.
Would you want a drink? Maybe coffee? Tea? Green tea?
What condiments would you like on your egg or salad?
How do you like your eggs?
If you wanted toast, then how many slices? And if rice, how much?
do you like bread for breakfast? Or perhaps you prefer rice?
And even if you did,
I didn't know if you'd really eat so soon after waking up.
Ya know
But anyway,

So I ended up thinking about all that...
Haha I see...
...and ended up frustrated and decided just to make my own.
Wh-what did I do?!
?
In that case, let's see...
I'll have everything you had, Ozawa-san!
...!
I just feel bad for you going to all that trouble.
I get it! And I get that I'm just thinking too hard about it.
I know...
Still.
Haha
Of course, I don't mind if you give in whenever we disagree.
How should I say it... I want to know the preferences of the guy I like?
Over our two years, we've sort of wasted our time together by being too polite and considerate...
Don't you think it's a little sad?
Aah Yeah
I know what you mean
it's one of those things. you know,
Okay...
Well so tell me!

Yeah,
sorry.
Aah
so let's just let that one slide, okay?
It gets awkward if you blush like that,
And..
Yes?
Ozawa-san, it's..
Hey!!
It's those kinds of things about you I really love!
Oh
And
Let's see..
Oh yeah, I almost forgot
Oops
Oh,
how about a drink with that?
!
I like 2 slices of bread. I like the eggs sunny-side up, and I like both my eggs and my salad covered in ponzu vinegar.
For breakfast..
I'll leave it to you!
All right, got it!
black, please
A large coffee,
Okay~

Aah.
There was a time
he said that humanity is really all about food, or something, and...
he devoted himself to discovering the best foods.
By the way.
About your brother
Yeah?
Yes?
That video you showed me,
It was really different from what I had imagined
He somehow seemed a lot bigger than last time I saw him.
Yeah.
Thanks for the meal!
Hehe
Wait!!
Does that mean that you'd look like that if you ate a lot more?
Pro-bably
Please stay just as you are
Got it?
I'll do my best!

This kind of th ng. .
is also nice from time to time!
Yeah,
it's gotten a lot more comfortable too

Will you let me take care of that?
Yes?
Bonnouji's remodeling!!
I had forgotten!!
Ah!
Speaking of Bonnouji!
Oh?
I know right?
ぼへーー？
A whole day can fly by just hanging in the room or snooping on the neighbours through the hole in the wall.
And with bonnouji,
ぼへ

Is that so?
I want it to be a secret from you until it's finished.

I see, I see.
so this time I want to do something in return.. 'kay?
You're always giving me surprises,

Sure, that's fine.
Just tell me what you want where,
Then Shimapon and I can do the heavy work.
Wait—

Great! It's decided then!!
As long as that's fine with you, Ozawa-san
so you can stay at my place until then.
I'll finish by the weekend.

Super!
Sounds fun!
I'll leave it to you!
USCA
15

Look forward to it!
Wow, you're raising my expectations even higher!
Uck
Now that I've said it, it really sounds kind of awful, doesn't it... I have no idea whether I'll pull it off...
It'll be fine, go ahead!
Um...
Well, the truth is, it's an idea I had based on a garbage dump...
Eureka!
Haha
I'll look forward to it then.
I'm worried here.
Hahaha
USCA

Squeeze
Let's.
:
Should we go back ?

Hmm?
Ozawa-san..
Mnh..
Can we do it?
:
Ooh!!
Over here!
Geez, you're hopeless!
I see, is that so..
You don't have to ask every single time.
Come on..
Haha
Ah!!
Huh?
Eh? Ah? Ah~~~
Well, aren't we going to have a shower first?
Eh?
What is it?
Ah.

Without my glasses, I can't find anything.
わた
I'll turn on the A/C... where's the remote. ?
And it's a bit hot too, so...
It's pretty bright,
I better close the curtains.
Good job!!
Oh!
I found them!
USCA

How should I know?
Eeh?!
I wonder where I left the condoms?
by the way,
And,
Didn't you leave them on the desk?
Just before...
Ah!
First though, glasses, glasses
Took~
…

Ah.
Since you found the condoms, why do you need your glasses?
And I have the air con remote here.
Hey
Now all I need is my glasses.
Oh, genius Oyamada.
Yes...
That's why I said, "I'll do my best," right?
Why are you so different from yesterday?!
What's up with that?
I'm so sorry...
So embarrassing!
I can't do it anymore This is way too awkward!!
Waa

Smile
Hmm
I see.
I turn into a total klutz.
when my little head takes over
Well, I guess with today's mood,
All right
Well, that's a big relief!
Well
Normally, I'm just like this.
I felt a bit scared yesterday, since you were a total hornball.
Something like that.
Truth be told.
Uwah!
You look happy about something.
Huh
Well then
From your best friend, Shimapon-san
Where did you pick up that term?
Sorry
see

Eh?!
I got it from those DVDs you gave me.
And where d'd you get that idea.. ?!
And "they say?" Who says?!
!! ERO STUFF !!
Ah..
Wha-!!
You know what they say...
It's good to have an experienced girlfriend! So... feel free to take the lead!
USCA
05
In that case, Let's change tack here
Okay, Then..
I'll see what I can do
Cool!
I guess we'll both have to do our best then!
Get ready
Haha
That means you too, mister
Do your best!

A bad hair day~ The morning after he used a different shampoo than usual!

Mor-
ning!

Morning.
むしゃ

My condo-
lences.
And here I thought you were waking up to see me off!
Ah, I see.

You don't have to get up early just for me.
You were up late last night, weren't you?
It's not just that, my deadline's coming up soon,
so I can't just sleep in and loaf all the time.
That's all.

Okay, take care!
Well then, I'm off!

Well then, today, I'll .

. .make my way to work

Wait...
Eh?
Got it!
Would you grab me a nori bentou*?
What are you going to have?
Ozawa, lunch?
Huh?
Do you have to put that much effort into something like that?
I'm drawing up plans for redesigning a room.
Cool right?
Hmm m?
This isn't work, actually.
You have so much work you can't spare some time to go out to eat?
What's up?
Ah!
Thanks.
A nonben and a chicken nanban* please.
Hello, excuse me.
For the room make-over,
prepa-rations are needed —
— lots of prepa-rations.
Huh?
Introduce me to some kouhai* who plays mah jong, won't you?
Wata-nabe,

T/N: noriben/nori bentou: A lunchbox with rice, nori seaweed, vegetables, and a piece of fish or meat.
T/N: Chicken nanban: A Japanese chicken dish with a sweet and peppery sauce.
T/N: Kouhai: a junior at work or at school.

...this is the layout.
What's with that?
Well
This is lame...
Help me!
Please?
I'll introduce you to a girl, just that she won't know how to play mah jong...
Haha ha
It wasn't a compli-ment!
Don't act all bashful!
You think so?
You two are really two birds of a feather...

So?
You're managing well with Bonnouji?
You better believe it!
I'm home!
Welcome back!
Thanks for the food!
Help yourself!
You know, your room...
doesn't really have much in it.
Hm?
It's just that your room is packed
Haha.
Well...
I guess it is on the sparse side.
Why?
Well...
Oh, I see
I'm sorry I crushed your fantasies.
...just that it's a bit different from my image of a girl's room.
It's not like that.

I'm going to take a bath.
Okay
Is that so.
But it's like you, somehow.
Actually, I want to tell you.
Hm?
the story.
That's a compliment, okay?
Originally,
back when I packed away my ex's stuff.
I was thinking that I'd move out.
Oh.
After that, I was trying my best to keep my things to a minimum.

Oh.
...is what I thought.
"I'm sure you don't want me to go on about my old boyfriend though, right?"
So there isn't much here..
because I was down after the breakup, I guess.
Or because it became a habit, maybe.
Oh..
I see
That's fine.
I've unloaded every-thing on you.
So now for my own selfish satisfa-ction,
Oh
But then, avoiding the topic didn't seem right either
So that's why I didn't say anything before
See you soo—
Okay
Well then, this time I'm actually going for a bath.

Thanks for saying so.
Okay!
I really love that side of you.
Oya-mada-kun
Hm?
I blurted that out after I felt strangely guilty...

I'm off again!

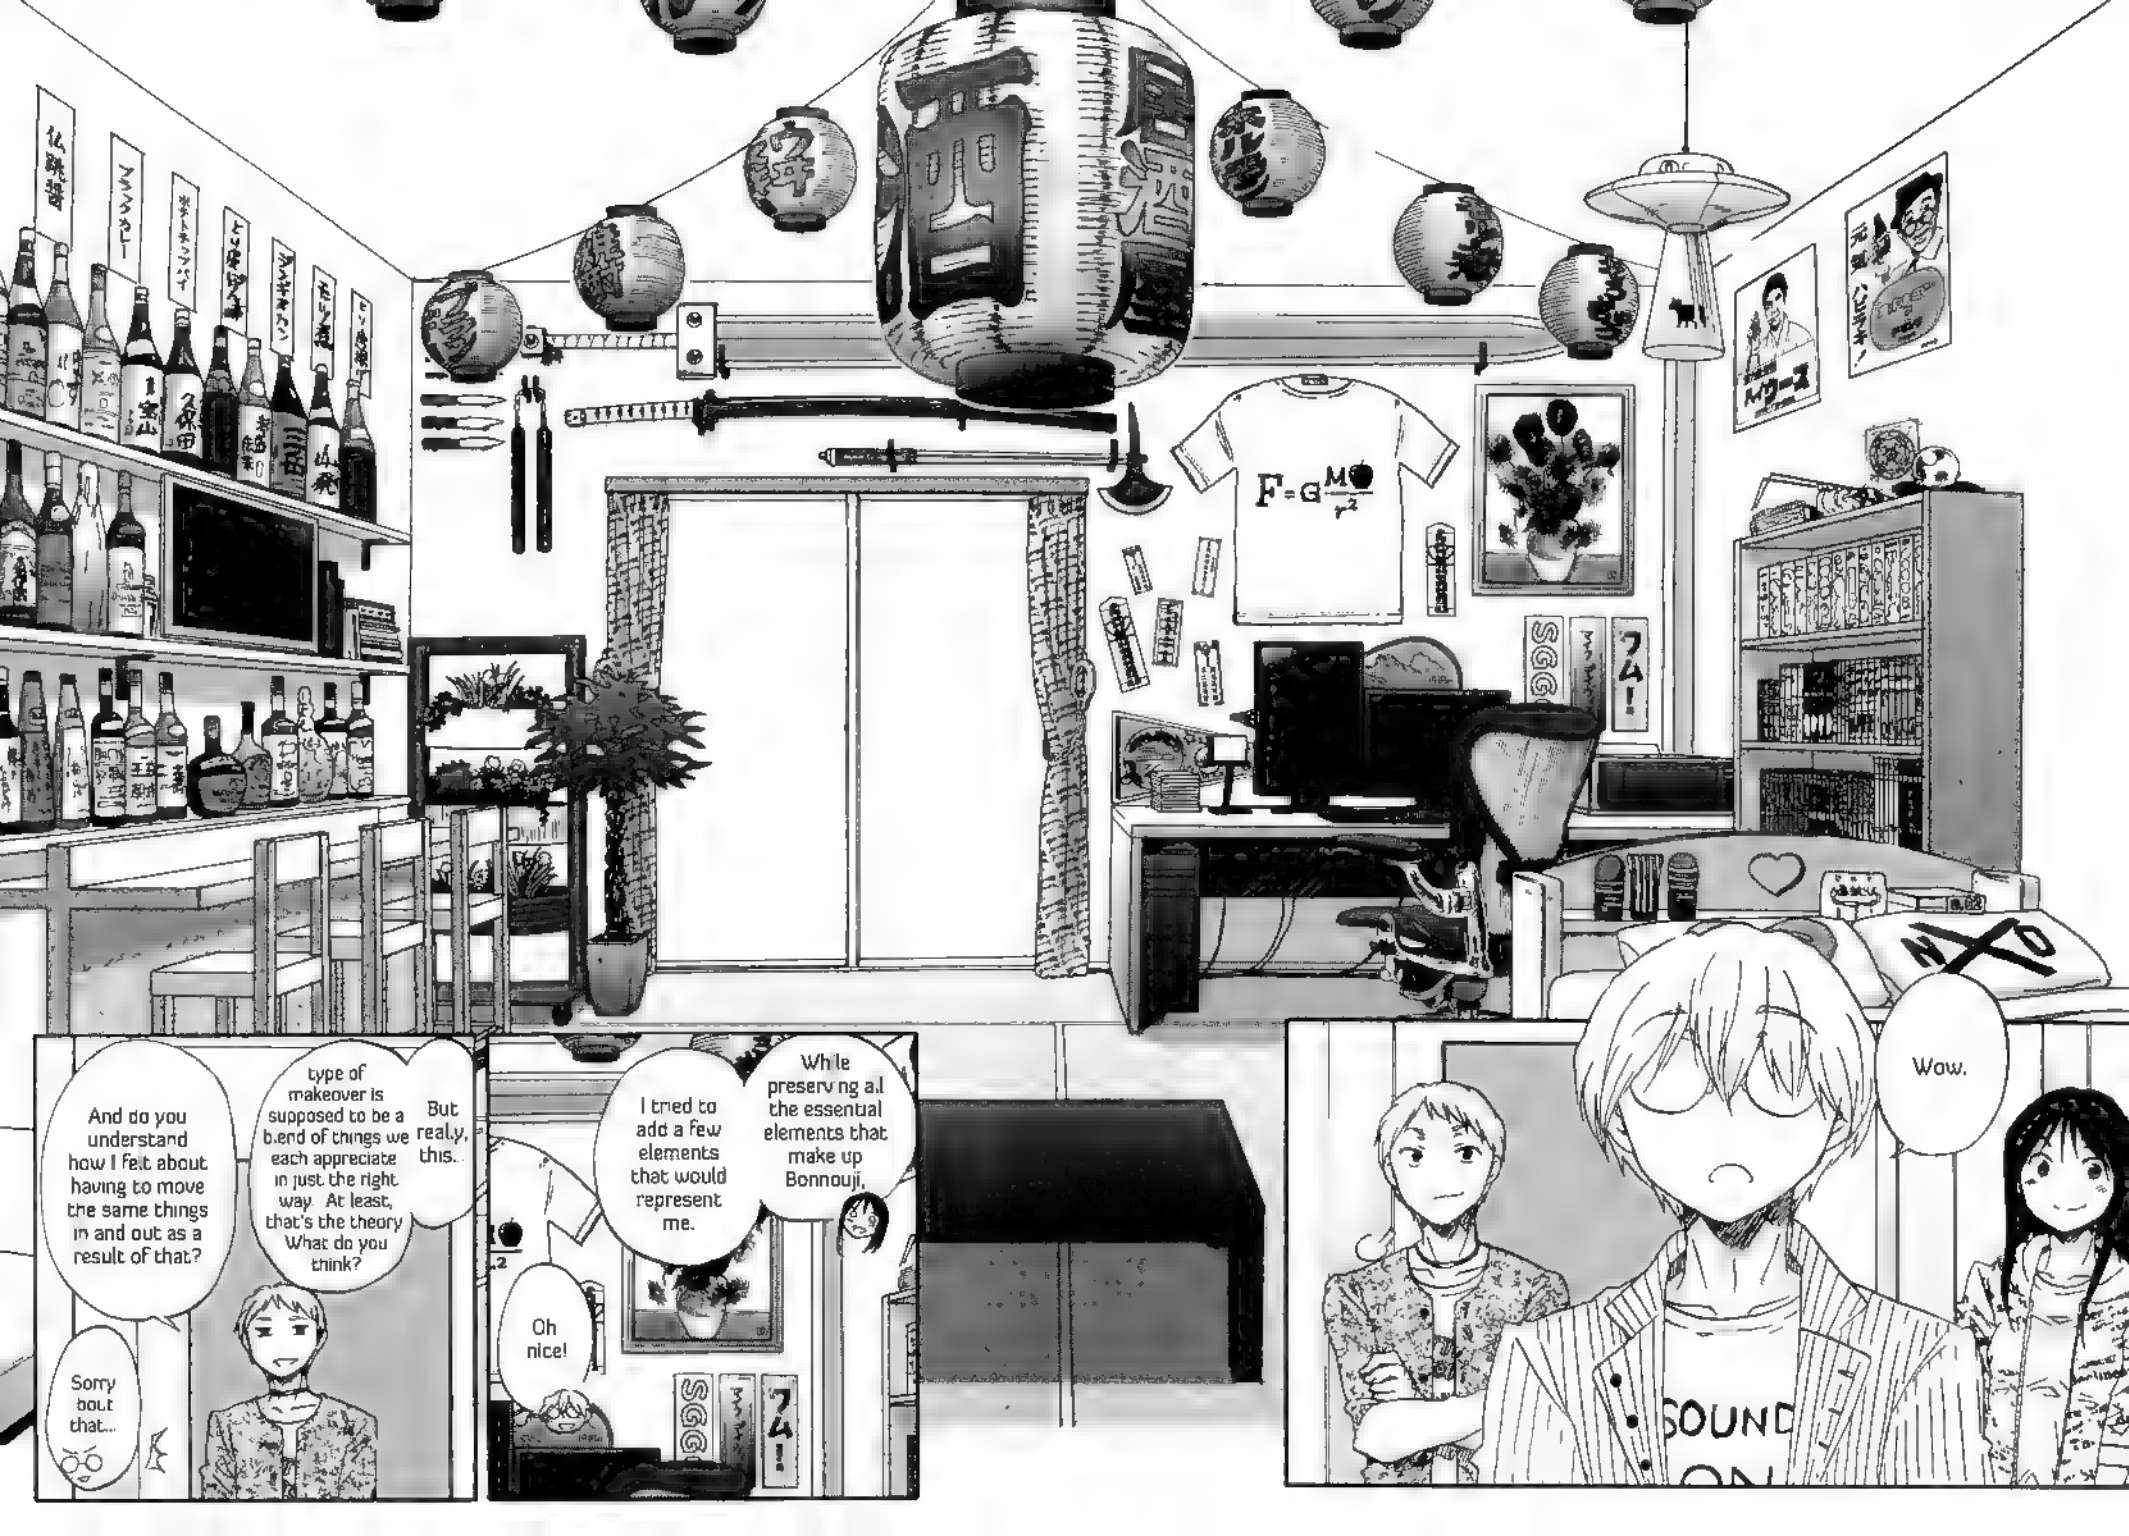
WORK
Tomorrow!
I'll be all done with Bonnouji.
Welcome back!
Nice!
I'm home.
I'll make sure to get it for you
Right.
Ah
I actually have a new PC that should be delivered tomorrow night.
Thank you.
Please do!
I'm looking forward to it!
Mmh

I'll hook it up later, so don't worry about the wiring or anything.
KK
I'll take it out of the box at least though.
Haha.
It still feels like a long time since I've been on this floor though.
I know
We didn't live together all that long in the end.
Wow
Haha.
Excuse the intrusion.
Just kidding
Well then please step inside!



And do you understand how I felt about having to move the same things in and out as a result of that?
Sorry bout that...
But really, this type of makeover is supposed to be a blend of things we each appreciate in just the right way. At least, that's the theory What do you think?
While preserving all the essential elements that make up Bonnouji,
I tried to add a few elements that would represent me.
Oh nice!
Wow.
SGG

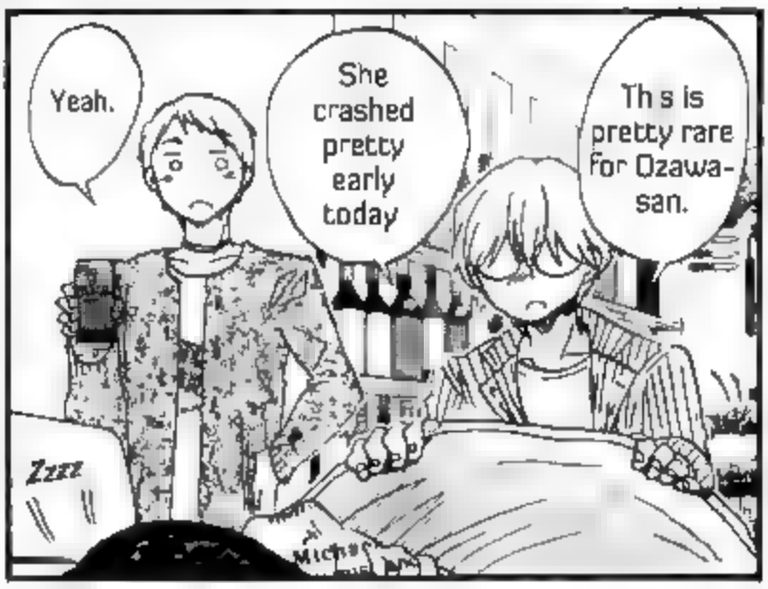
And this is a sofa bed for guests.
Me, of course
Ah, I see
That's his contribution!
Right.
And what's with this tacky bed?
YES
NX
YES!!
Let's drink!
To the completion of the new Bonnouji and –
Well Ahem, then,
Kanpai!!
—To the start of your new cohabitation.

That would explain it.
She was probably exhausted from carrying heavy objects around since early morning, you know?

Yawn
Ah, okay, thanks for everything!
I'm really tired too



Yeah.
She crashed pretty early today
This is pretty rare for Ozawa-san.
Zzzz

See?

And why are you getting into the bed?
Well.
look

'Night.

don't you think But Ozawa-san will be surprised when she wakes up?
...
No way
I'll concede your right to sleep next to me
I guess there's only one option!
YES
Might be...
...Interesting.

BONNOUJI

Extra manga

Well, that particular one, anyway
When it comes to bonnou..* you think about "that," you know?
Ero
エロス
煩悩寺
Volume 2 of Bonnou..!
Thank you for reading...
And since I felt ill, I stopped being able to think about anything...
On top of that, I was really pressured to complete 2 tankoubon for other companies (a serialized work and a periodic publication...)
Snif
Snif
I'm healthy again now!
I couldn't stop the sweet voices from playing in my mind!
Aaah!
and such was volume 2!
when I was finalizing the tankoubon, I had to read back and ended up taking a lot of damage.
Since I didn't have any memories of when I was completing the draft,
It looks really...
Woah...
Embarrassing...

T/N: Bonnou are known as "kleshas" in English (http://en.wikipedia.org/wiki/Kleshas) and are the Buddhist mental states that cloud the mind - including desire. Sorta like the 7 sins in Christianity, though more on the decadent side. Bonnouji, literally, is "The Temple of Kleshas."

Ah!
Those two are going out with each other, right?
Yeah. That's right.
Cough
Let's see...
I whined to my supervisor.
T-san, about that tankoubon request, do you have any good ideas?
Hmm?
Huh?!
How about Ozawa-san gives Oyamada-kun a kiss this time...?
Yes, yes, What is it?
Actually, um...
I'm not that old.
T-san is also past middle age now don't you think it's time you calm down a bit?

Ahaha!!
...during that whole process, why do I have to be looking at them kissing?
I can't take it!
It's no laughing matter...
Make a rough sketch, add some shading, ink the lines, separate the parts, add color...
...and presto, a color page is finally done.
Yes, yes!
Modifications, all sorts of other details...
So I thought I should use this meeting as a chance to apologize.
Whenever I have a break at work, I am always drawing doujinshi.
Sorry...
NEW BOOK
Don't worry about it.
...?
And so, in that way,
I barely managed to get through the gate for this manga.
Ahaha!!
Another day
Yes, yes.
By the way, T-san...

As long as you don't drop your work, feel free to do anything else you want to.
So...!! T-san is like God!!
Easy Going.
DOUJINSHI
HAA...
For you, Aki Eda-san, those are the same types of desires, right?
I wouldn't tell you to stop eating or drinking or anything.
Ahaha
That's true
It's not as if I'm going to draw 5 pages in an extra...
... AFTER WHAT I SAID JUST NOW, I QUICKLY REDID IT INTO 4 PAGES.
It was fine in 4 pages!
... WAS THE CONVERSATION WE HAD, SO EVEN THOUGH I HAD DRAWN 5 PAGES...
Got it!
Ahaha!
Easy Going.
If the extra chapter will be over 5 pages, we'll have to reduce the size of the main story.
AND AFTER THAT, BEFORE I WROTE THE EXTRA CHAPTER...
HE SAID...
Eh?

I'll be glad if you also read volume 3.
When I take breaks, I'm always playing card games.

QC note: We love easy going ppl too XD
